ABOUT CULTIV ♦●

Cultiv is a collective organizer of interdependent companies engaged in innovation and entrepreneurship. Established in 2019, Cultiv's origins trace back to 2011, built on the founding member companies. The initial key shareholders of these member companies became the nine Principals and initial shareholders of Cultiv. The collective aims to foster cultural change by investing in innovation, technology, and design.

Global Innovation
& Entrepreneurship

REACTOR

WE ARE SEEKING OPPORTUNITIES IN

Venture Funds

Seeking startups to invest in and support, focusing on innovation, technology, design, and cultural change initiatives.

Venture Capital Opportunities

Seeking new proposals and partnerships to support and scale our technological, design, and cultural change initiatives.

Matchmaking and Networking

Seeking partnerships and collaborations between like-minded individuals and organizations focused on innovation and entrepreneurship.

We aim to build strong, mutually beneficial relationships that advance our mission of driving cultural change through investment in innovation, technology, and design.

THANK YOU
