We offer Global Solutions by Value Chain

We offer an added value proposition

We are looking for

As cluster organisation ...

- New partners and partnerships in innovative projects (cascade funding, internationalization, digitalization, skills).
- Cross-sectoral & cross-regional partnerships in EU Funds calls such as Erasmus+, COSME or International tenders such as Europe Aid, African Bank...

As group of companies ...

- Business opportunities in Renewables, Steel Industry, Green Hydrogen, Decarbonization, Mechanical Engineering...
- Internationalisation initiatives (business missions, study missions, attending sectoral trade fairs...)

Cluster goes where companies cannot go alone
