Cluster-Driven Interregional Collaboration in the Framework of the Priorities of Auvergne-Rhône-Alpes: Green and Digital Transition, Training and Jobs for the Future, Excellence Sectors

1. A smarter Europe (economic, innovative and intelligent transformation)
2. A greener Europe (less carbon intensive, including energy transition, circular economy, adaptation to climate change and risk management)
3. A more connected Europe (mobility and ICT)
4. A more social Europe (European Social Fund related activities)
5. Europe closer to citizens (sustainable development of urban, rural and coastal areas + local initiatives)
