

CZECHEMP

INTRO

HANA GABRIELOVÁ
PREZIDENT

CZECHHEMP

Our structure

- Established in 2018
- **Our mission** -> To empower the cooperation and know-how of the Czech cannabis and medical cannabis industry.
- **Our goal** -> Increase the production of hemp and strengthen its hemp value chain to boost the bio-economy that will lead to the widespread use of hemp as a natural resource.
- 40 entities including growers, universities, producers, processors, NGOs and individuals

CZECHHEMP

Our network

We are proud members of:

Our partners:

CZECHEMP

Our working groups

- **Industrial hemp - use of fiber and seed**
 - Czechinvest/EcoTechHUB, HempTheClimate, MZe, MpMR
- **Medical cannabis - availability of LK to patients**
 - KOPAC, FNUSA, APLK
- **Legislative - removal of legislative barriers**
 - PML, CBD, adult use, Think Thank for a rational drug policy

Our projects

Marginal lands and industrial crops for the European bio-economy. Combining bio-based products, climate resilience and biodiversity through innovative agricultural value chains.

HempClub project works to unlock the potential of hemp by creating EU value chains for biobased applications and new business opportunities for primary producers and chemical companies.
