

EUROPEAN CLUSTER  
COLLABORATION PLATFORM

# Cluster Collaboration Lab (C2Lab) #4

## Agenda

Vilnius, 14-15 November 2023

An initiative of the European Union

## C2Lab in Lithuania on 14-15 November 2023

The overall objective of the Cluster Collaboration Labs (C2Labs) is to generate new projects and collaboration between clusters to stimulate and scale-up inter-regional cooperation in new cross-border value chains. The C2Lab should contribute to generate and facilitate project and investment ideas and prepare roadmaps for joint projects. It offers the participants an environment to work together to help put ideas into practice.
