# EU-SINGAPORE MATCHMAKING EVENT

## Background

The European Commission (EC) will organise the **EU – Singapore Matchmaking Event** in the context of the [Singapore International Energy Week](#) which will be held on 21-25 October 2024.

**The EU – Singapore Matchmaking Event** itself will take place **on-site in Singapore 22-24 October 2024**.

The event will be jointly organised by the European Commission through the European Cluster Collaboration Platform (ECCP), in collaboration with the Enterprise Singapore (EnterpriseSG), the Singapore Business Federation and the Enterprise Europe Network (EEN).

The **EU – Singapore Matchmaking Event** will bring together cluster organisations and SMEs from the European Union (EU), non-EU countries participating in the Single Market Programme/COSME Strand, and Singapore. It will provide participants an excellent chance to promote Cluster to Cluster (C2C), Cluster to Business (C2B), and Business to Business (B2B) collaborations.

## COVID MEASURES

There are no longer any COVID-19 measures for travellers arriving in Singapore from 13 Feb 2023, regardless of vaccination status or traveller profile.

## CURRENCY AND PAYMENT

The **Singapore dollar** ([sign: S\\$](#); [code: SGD](#)) is the official [currency](#) of the [Republic of Singapore](#).

The Singapore dollar is used here and notes come in denominations of S\$2, S\$5, S\$10, S\$50, S\$100, S\$1,000 and S\$10,000. Coins come in 5, 10, 20 and 50 cents and S\$1.

The city-state is as tech-savvy when it comes to payment systems, so you should be able to get by without needing cash for many expenses. International debit and credit cards are broadly accepted.

## WATER

You can drink water straight from the tap as the water in Singapore passes World Health Organization standards. You can also buy bottled water easily.

## WEATHER

Singapore is hot and humid all year-round, with temperatures usually reaching over 30°C. You should be prepared for rain at any time, which can be torrential but usually brief

## LANGUAGE

You will be able to speak English to Singaporeans, most of whom are fluent in it. Many Singaporeans also speak an additional language, usually Mandarin Chinese, Malay or Tamil.

## TIPPING

Tipping is encouraged when you experience good service, and this would be above the standard 10 percent gratuity to your bill added by some restaurants and hotels.

## NO SMOKING AREAS

You are not allowed to smoke in all air-conditioned places such as malls and eateries. You may smoke in designated smoking areas.

## POWER PLUG

The standard electrical current used in Singapore is 220-240 volts AC (50 cycles) and you can use power plugs with three square prongs here.

During our meeting with (partner name) we discussed and expressed mutual interest in joint RTD and demonstration activities. During follow-up telco we extended this discussion to more specific issues. Next steps were set as follows:

1. X and Y counterparts will scan possible calls suitable for X to join EU joint proposal preparation for demo sites, technology development and transfer.
2. Certification services provided by X for EU modules to enter Morocco as X is soon to be accredited laboratory for this topic. The cluster expressed their willingness to support X with available knowledge on accreditation of the PV testing lab as well as certification activities.
3. Under discussion still how we can transfer "Building Integrated Photovoltaics" installation best practices to Morocco.
4. Joint manufacturing facilities can be also topic for further discussions and joint collaboration.

**Example 2:**

The collaboration purpose is as follows: to find partners in our network in order to take advantage of Y world class and unique timing offerings. This means mutually collaborative import-export because they have a key component that is useful for optical communications.

For research and development their expertise with creating custom quartz crystals and patented process for scoring sections of quartz in order to create ultra precise timing oscillators is of great interest to our members and there are opportunities via Horizon funding for collaborative research that can help both entities.

We have held two meetings after the Taiwan event and have the third one scheduled.
