## REGISTRATION

### ECCP

Registration for onsite attendance is open. Registration is open till the 22<sup>nd</sup> of October, until midnight. Please follow the [link](#).

The event is free of charge.

### EVENT INFORMATION

The event will occur at **the Institute of Physics of the Czech Academy of Sciences on the 23<sup>rd</sup> and 24<sup>th</sup> of October 2023.**

The agenda of the event is available [here](#).

### HopLink: Brews & Business Networking Night

During the evening of the 23<sup>rd</sup>, there's **an optional activity at your own cost**. Email your interest to [info@nca.cz](mailto:info@nca.cz), and we will pair you up with others attending the event, book a table for you at a friendly Prague Brewery, you show up, order what you want, have an excellent time and pay for your dinner.

### TRAVEL INFORMATION

You can reach Prague from any location in Europe easily. If travelling by plane, you will get the [Letiště Václava Havla Praha](#). You can take an Airport express bus from the airport, and it will take you to Prague Central Station, where you can take a tube to the venue. The bus from the airport leaves every 30 min (┌:23, ┌:53), and it takes about 50 min to get to the central station. The price of the ticket is 60 CZK. More information on how to get from the airport to the city centre is [here](#).

### TRANSPORT IN PRAGUE

There is good transportation in Prague. You can travel by tube that is well marked or by bus or tram. Several ticket prices are depending on the length of the trip. To see more information about how to travel around Prague, visit this [link](#). Your tickets can be purchased by cash (Czech Koruna – CZK) or card.

For those who prefer to travel by taxi, we recommend Uber, Liftago Taxi or Bolt.

## VENUE INFORMATION

### When and where is the event taking place?

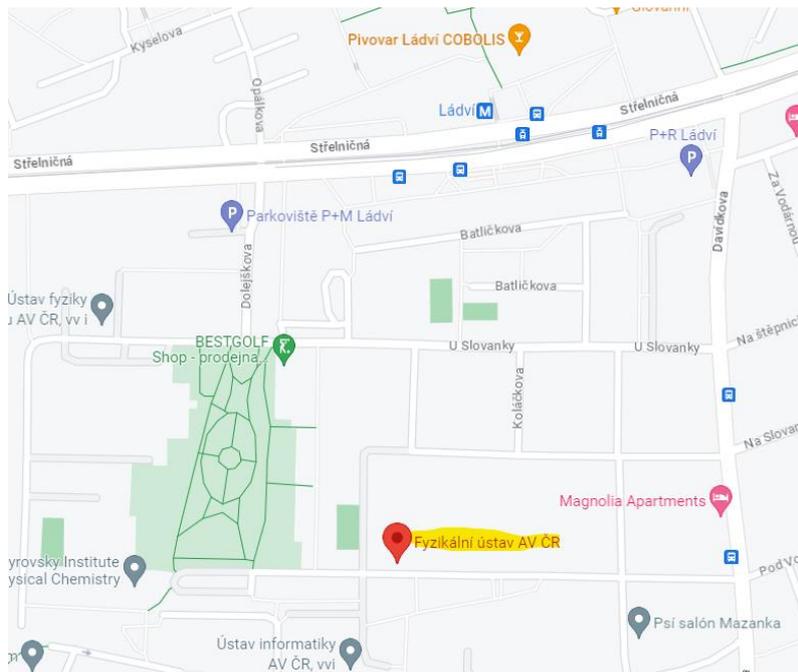

Institute of Physics of the Czech Academy of Sciences

### Venue Address:

Fyzikální ústav AV ČR, Na Slovance 1999/2, 182 00 Praha 8

### Map of the venue:

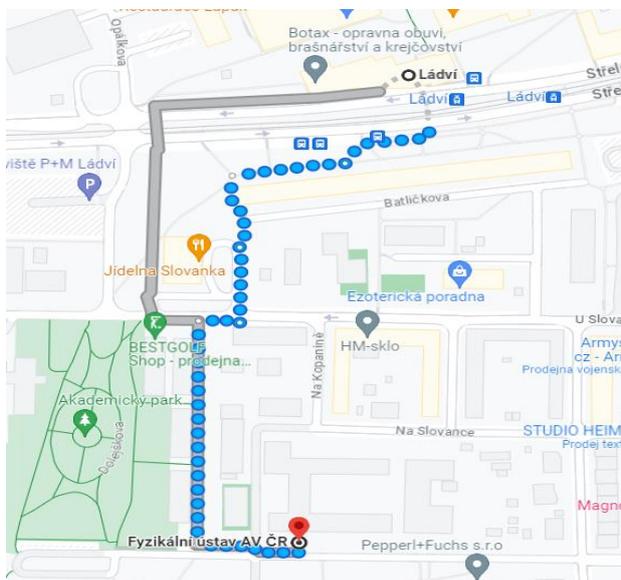

## How to get here:

If taking the tube, you take the tube from the Prague central railway station to the Ládví station. Take the red line C towards Letňany. It takes approximately 10 min. Therefore, one 30 min ticket for 30 CZK will be enough.

It is a 600 m walk distance from the Ládví station.

## Parking area:

The Institute of Physics of the Czech Academy of Sciences has parking spots. If you need a place for your car, please email Renata Pfefferova at [pfefferova@nca.cz](mailto:pfefferova@nca.cz). The parking is next to the venue. The address for the

parking is Pod Vodárenskou věží 2531/3.

## **About the Institute of Physics of the Czech Academy of Sciences**

FZU – Institute of Physics is one of the Czech Republic's most successful research institutions. Our international scientific teams work to push the boundaries of knowledge along six main research directions in physics – elementary particle physics, condensed matter physics, solid-state physics, optics, plasma physics and laser physics. The inspirational environment at FZU provides top basic, applied and interdisciplinary research and training for students.

### **EVENING PROGRAM**

After the first day, on the 23<sup>rd</sup> of October, 2023, participants will have the opportunity to site visit the Institute of Physics of the Czech Academy of Sciences. An Institute representative will lead this one-hour-long site visit.

After the site visit, the NCA organised a **HopLink: Brews & Business Networking Night at the [Cobolis brewery](#)**. This activity is at your own cost.
