**8<sup>th</sup> Edition**

ROHEALTH – Cluster for Health & Bioeconomy,

Cordially invites you to participate at the **8<sup>th</sup>** edition of BEHEALTH – International Event in Healthcare, to be held in Bucharest, Romania and online between **20 and 24 October 2025**.

Organized annually by ROHEALTH – Cluster for Health & Bioeconomy, BEHEALTH has, since its inception, evolved into a forum that has established itself as “A key platform in fostering dialogue among a wide range of stakeholders in the health sector,” uniting decision-makers, researchers, clinicians, industry leaders and patient representatives from across Europe.

This year we are honored to be co-funded by the European Union through the **EU4Health program**, support that allows us to expand both the reach and impact of the conference.

BEHEALTH 2025 will focus on resilient health systems, demographic change, the One Health approach and the digital transition in health, while promoting cross-sector collaboration among stakeholders from more than thirty-five countries.

Participation requires prior registration. This year, the event will be held in a hybrid format. To confirm your attendance, regardless of whether you will join online or in person, please register using the following link: <https://www.b2match.com/e/behealth-2025/signup/create-account>

For your convenience, a draft version of the agenda is attached in the e-mail. Additional details can be found on our official [website](#).

We look forward to welcoming you to BEHEALTH 2025.

Yours sincerely,

Flaviana Rotaru
